Dear Friend:

We are pleased to invite you to participate in the Chicago Public Schools (CPS) Teacher for a Day 2007 pilot program. Teacher for a Day will provide an opportunity for business and community members to develop a deeper appreciation and a better understanding of the work CPS teachers provide schools each day throughout the school year. This year's event will be held on Tuesday, May 15, 2007. As a Teacher for a Day, your day will begin at your designated school and classroom and will end with an informal luncheon at your school with the teachers and other faculty members.

The 2007 Teacher for a Day pilot program will take place in 24 schools and will have two to three volunteers at each school during the pilot phase. All applications received will be screened by the steering committee and participation will be limited.

If you would like to participate in Teacher for a Day, please complete the enclosed form and return it to Cynthia Greenleaf, Chicago Public Schools' Director of Partnerships, via fax (773) 553-1541 by April 30, 2007. Should you have any additional questions, please contact the Department of External Resources and Partnerships at (773) 553-1540.

Sincerely,

Richard M. Daley
